The image displays the EZCastPro interface on a television screen. At the top left is the EZCastPro logo with the tagline "Smart Casting!". To its right, the SSID "EZCastPro_AE66385E" and PSK "39257445" are shown. In the top right corner, there are icons for a smartphone, a tablet, and a router, with a red 'X' over the smartphone and tablet icons, indicating they are not connected. Below the status bar, there is a search bar containing "EZCastPro" and a search icon. Underneath the search bar, it says "Download on the App Store" and shows icons for the Google Play Store, Apple App Store, and Microsoft Store. A QR code is displayed below the app store icons. To the right of the QR code is a circular icon with a right-pointing arrow. Below the QR code is another search bar containing "www.iezvu.com" and a search icon. Underneath this search bar, there are icons for Mac, Chrome, and Windows. In the center of the screen, there are two diagrams illustrating the connection process. The top diagram shows a laptop and a smartphone connected to a wireless router, which is connected to a USB dongle labeled "EZCastPro_AE66385E". The bottom diagram shows a laptop and a smartphone connected to a wireless router, which is connected to a USB dongle labeled "(EZCastPro_AE66385E)". At the bottom of the screen, there is a note: "★ 請勿使用電視機的USB接口供電,以免出現電力不足的異常。" (Do not use the TV's USB port for power, to avoid abnormal power shortage). In the bottom left corner, the version number "ver.16354000" is displayed.
